

# **Author's Toolbox for Bringing a Character to Life**

**You get to know a character by what he does.**

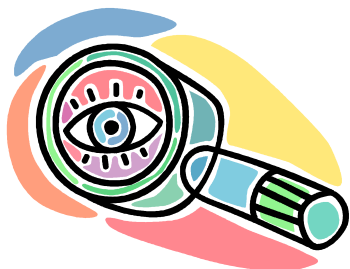

**You get to know a character by what he says and what others say about him.**

**You get to know a character by his thoughts and what others think about him.**

**You get to know a character by his feelings and how others feel about him.**

**You get to know a character by what the author tells you about the way he looks.**
