

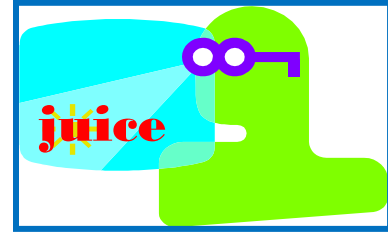

# PHOTOGRAPHING WORDS

## Making a Mental Picture of the word

### Step One:

**Locate word on the word wall.**

### Step Two:

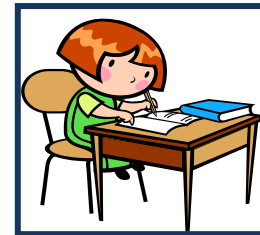

**Look at the whole word; take a pretend “photograph” of the word.**

### Step Three:

**Try to write the entire word without looking back up at the word wall.**

**(Avoid copying one letter at a time)**

### Step Four:

**Check the spelling of the word on your paper. Incorporate the correctly spelled word into your writing.**

**Goal: You are expected to spell grade level words correctly.**
